

**POSITION VACANT
PART TIME INSTRUCTOR**

A vacancy has arisen at PARTEC for a part time (2/3 days per week) instructor to assist in the delivery of the POLYTEC[®] and FLEXITEC[®] PE and PVC training program systems.

The position is located at PARTEC, Mt.Gravatt, and duties include:

- Assisting in delivering competency based training programs in PE and PVC materials.
- Performing laboratory testing of materials under the joint PARTEC and LeHunt Consulting Engineers licencing agreement.

The position entails travel within Queensland and Northern Territory and New South Wales to both regional and remote site locations.

Training to meet the necessary skill performance requirements will be provided.

Experience in the pipeline industry and good presentation skills are essential.

Initial enquiries may be made to John Ruggles at PARTEC by telephone 07 3849 7878 or email fabrication@partec.qld.edu.au
