| PARTEC     | 1030 Cavendish Road  
Mt Gravatt Qld 4122                                                     |
|            | **Innovation in Materials** is the subject of this seminar, which will focus on Innovation in the Plastics Industry. The first presentation will be given by Terry Petkovic of TCL Hofmann on polyamides from EmsGrivory titled “High Performance Polyamides for Metal Replacement in Mining Applications”. After the break Alex Hofmann of BASF Australia will present on “Innovation in Performance Materials at BASF”.
For further information contact Han Michel on 0416 168 255, E: hanmichel@bigpond.com |
| 5:30 to 6:00 | Registration and Refreshments                                          |
| 6:00 to 6:10 | Welcome  
Roger Cater, Event Coordinator, SPE: A-NZ Section Ltd                  |
| 6:10 to 6:50 | High Performance Polyamides for Metal Replacement in Mining Applications  
Terry Petkovic, Business Manager - Polymers, TCL Hofmann, NSW               |
| 6:50 to 7:15 | Break with Refreshments and Finger Food                                 |
| 7:15 to 7:55 | Innovation in Performance Materials at BASF  
Alex Hofmann, Business Manager, Performance Materials, BASF Australia, Victoria |
| 7:55 to 8:00 | Closing Remarks  
Roger Cater, Event Coordinator, SPE: A-NZ Section Ltd                   |
| 8:00 to 8:30 | Refreshments and Networking                                             |
Registration Form
Innovation in Materials
Supported by PARTEC

Wednesday 3rd July 2013
5:30 pm for 6:00 pm start
PARTEC

This registration form becomes a Tax Invoice upon payment

Registration is essential for planning and organisational purposes. Your registration fee will assist SPE: A-NZ Section Ltd to develop and deliver educational and technical programs for the stakeholders of the plastics and polymer industry in this region.
